A.1 Contact Information

The Proposal Review is organized for NASA by the *CXC* Directors Office (*CDO*) under the direction of Dr. Belinda Wilkes (Assistant Director). Questions should be submitted to the *CDO* via our HelpDesk (<http://cxc.harvard.edu/helpdesk/>) (preferable) or by email: (cxchelp@cfa.harvard.edu). We strongly recommend the use of this HelpDesk as opposed to contacting individual staff members, as it is routinely monitored and not affected by the schedules of individuals.
