

Extragalactic Surveys

A Chandra Science Workshop

November 6-8, 2006 in Cambridge, Massachusetts

GOALS:

- ▶ communicate the results from extragalactic X-ray surveys including multiwavelength followup, analysis and modelling
- ▶ identify the most pressing science questions
- ▶ debate the best current strategies to answer those questions
- ▶ identify the most pressing priorities for the future

CONTACT: xsurveys06@cfa.harvard.edu

SCIENTIFIC ORGANIZING COMMITTEE:

Omar Almaini (Nottingham)
Amy Barger (Wisconsin)
Niel Brandt (Penn State)
Andrea Comastri (NAF-Bologna)
Antonella Fruscione (SAO)

Ioannis Georgantopoulos (Athens)
Paul Green (SOC Chair, SAO)
Ann Hornschemeier Cardiff (GSFC)
Christine Jones (SAO)
Anton Koekemoer (STScI)

Takamitsu Miyaji (Carnegie Mellon)
Kirpal Nandra (Imperial College)
Norbert Scharfel (ESA)
Meg Urry (Yale)
Mike Watson (Leicester)
